Congratulations!

There once was a boy named Brett,
Who never considered education a threat

Brett was driven to succeed from first grade you see,
Causing his teachers at Bay Catholic to toil diligently.

He conquered English, Science and Mat,
Often pondering, "What should I choose as a career path?"

Marine Biologist or Web Master what would it be,
The choices haunted him endlessly.

On to the next of Brett's goals to achieve,
St. Stanislaus had no way to perceive.

This young man was a force, as he tackled each course,
His Professors were amazed, as Brett dazzled and dazed.

Now at last it's finally here, the day that we all cheer.
Graduation Day! It's no time for tears.

On his way to college, Brett will surely gain great knowledge,
Never holding back, this brave young man has come to attack.

As life stretches out before him like a maze,
Brett will be sure to earn all our praise.

I know, you know, we all know his fate,
In the end Brett Hode is destined to be Great.

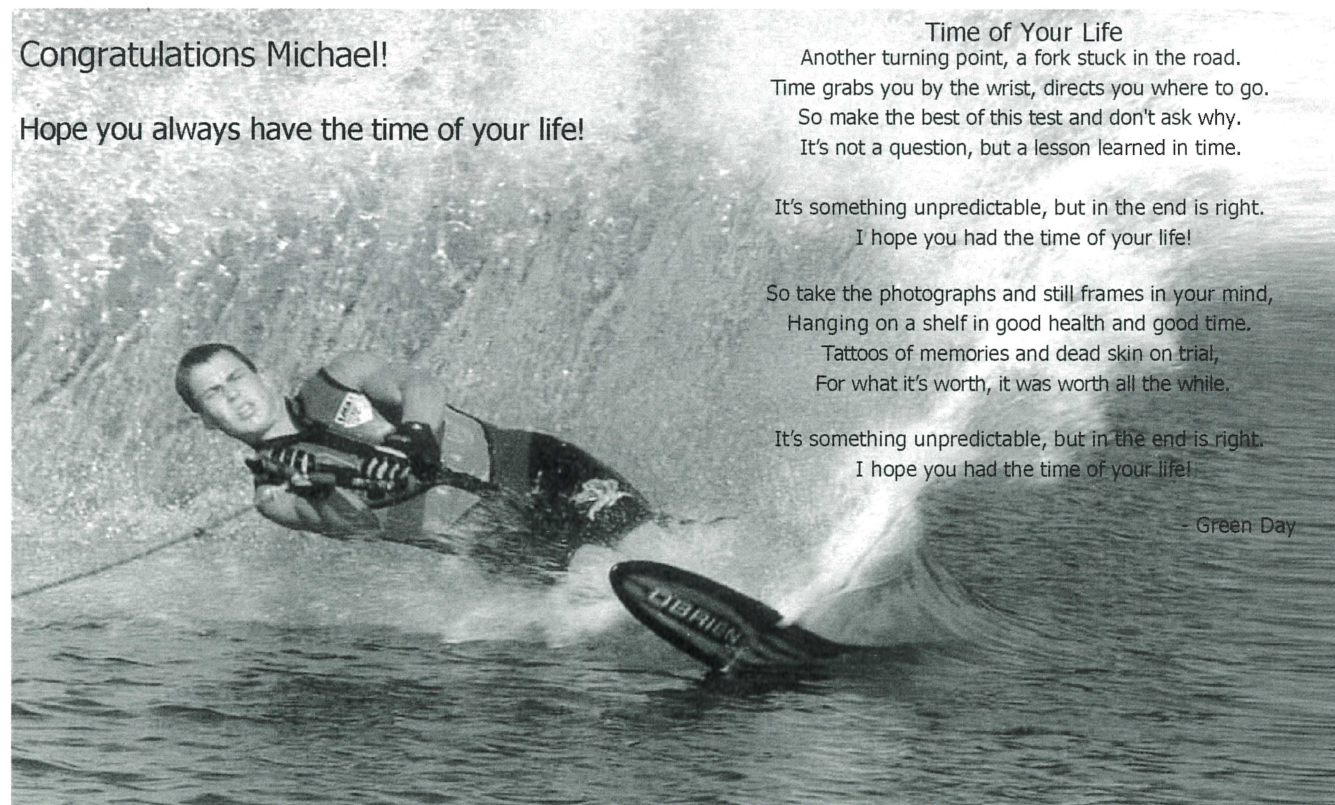

Through the years, you've
never let us down.
You've always made us
proud.
May your future dreams
come true.
We will always love and
wish the
best for you.

Mom, Dad, and Thomas

Congratulations Michael!

Hope you always have the time of your life!

Time of Your Life

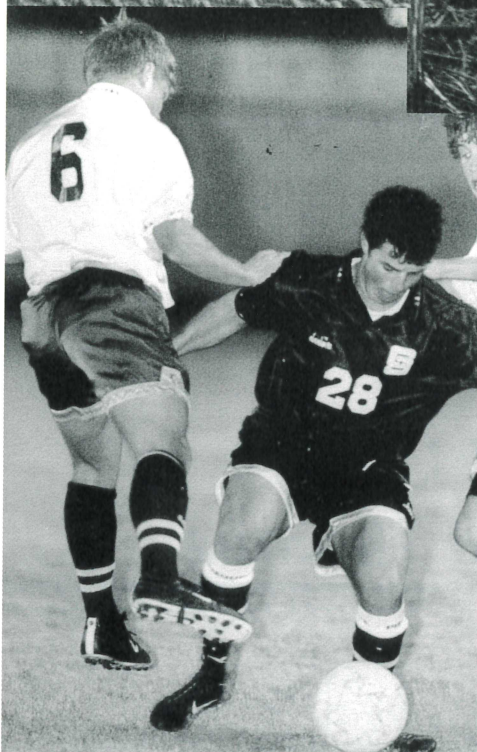

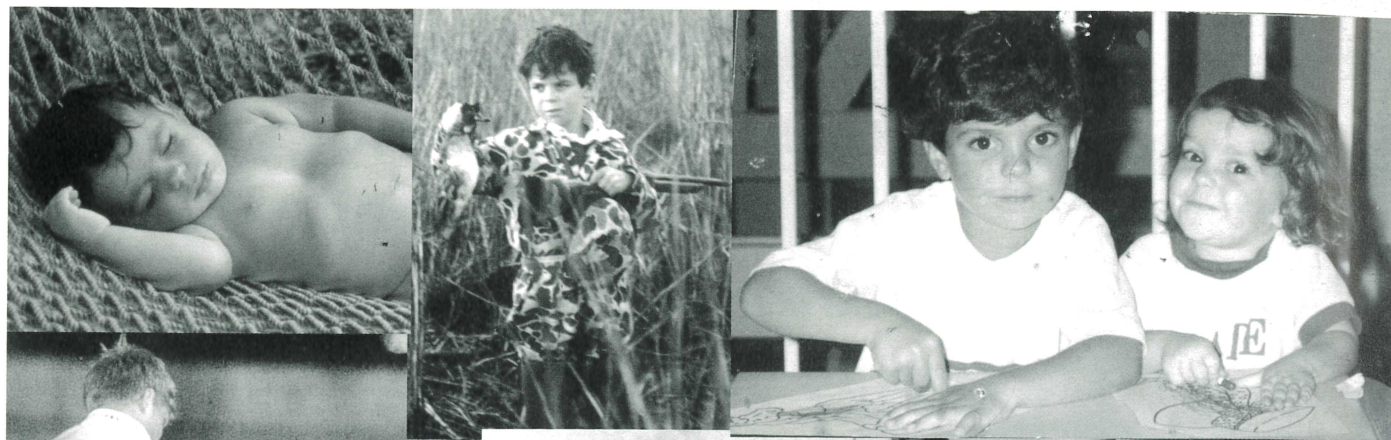

Another turning point, a fork stuck in the road.
Time grabs you by the wrist, directs you where to go.
So make the best of this test and don't ask why.
It's not a question, but a lesson learned in time.

It's something unpredictable, but in the end is right.
I hope you had the time of your life!

So take the photographs and still frames in your mind,
Hanging on a shelf in good health and good time.
Tattoos of memories and dead skin on trial,
For what it's worth, it was worth all the while.

It's something unpredictable, but in the end is right.
I hope you had the time of your life!

Matt, you began your journey on January 30, 1985 and what a journey it was.

*You've been to Alaska,
You've been to the zoo,
You've been to the Capitol,
And Texas too.*

*Some days you hung around
Some days you were a clown and
Some days I thought would never end*

We've had you for 18 years but it seems like only yesterday we brought you home. One phase of your journey is ending. No matter where your journey leads you next, remember always that we are very PROUD of you and we feel very blessed that God gave you to us.

You are a wonderful young man.

**CONGRATULATIONS
